

Welcome

As you consider North Branch Reformed Church, we'd like you to know that we steadfastly trust that God will call the right pastor to our church, and us to them. We are open and excited for the new ideas, opportunities and challenges that a new pastor will bring; and, while no church is without its own unique challenges, we're an immensely talented congregation of deep faith, committed to proclaiming God's grace and prepared to face those challenges together with you. Our goal is to reach out to our local community, nation and world with conscious, deliberate and visible acts of service as a demonstration of God's love and grace.

Our hope and vision for our new pastor is that they will leverage the strengths of our congregation; channel our passion for service and missions; and, inspire us through spirit-filled worship and Biblical education in order to turn our challenges into opportunities to glorify God and continue God's work here on earth. As we come out of an extended COVID experience, we pray for a pastor who can lead us into a new season of changed hearts and growth.

Our church is in a beautiful historic building in the heart of New Jersey, located near major cultural and educational centers of the Northeast. In addition to award-winning schools, there are many options for activities - whether it's a train ride into New York City, a walk around Princeton, a day trip to the Pocono Mountains or the beach. For the foodie in you, there is a wealth of diversity in dining options of many cultural styles.

We welcome and pray for you.

Wishing you God's grace and peace,

Pastor Search Committee
